EBITDA	(4,400)	(4,280)

Management accounts. EBITDA excludes share-based payment.

Revenue run-rate

Run-rate ARR

€19.92m

December 2024 revenue × 12

Run-rate ARR annualises recognised recurring revenue of the month. It is not the same as contracted or live ARR.

Churn

	FY2024
Annual logo churn*	7.5%
Monthly gross revenue churn	0.55%

* Avg. monthly logo churn: 0.65% in FY2024.

Retention

- Customers stay: most fleets sign 36-month contracts
- Account managers review usage with each fleet every quarter
- Upsell of fuel and driver modules is the main expansion lever
